SPEAKER.AUTHOR.COACH.  
MARKETER.ENTREPRENEUR.

## COACHING

Every person in real estate should have a coach! A good coach doesn't just teach you the strategies and systems you need to create the predictable business you desire...

They hold you accountable to actually do what you are supposed to do everyday!

## WHY CHOOSE US?

Create a predictable real estate business that is scalable, salable and not built around only you!

-  Increase your number of transactions by 43%\*
-  Increase your sales volume by 69%\*
-  All of our coaches are active in real estate and have already built the ship you are trying to build
-  ONE transaction covers a year of coaching\*\*

\*on average

\*\*in most areas

## BLUEPRINT

### KNOWLEDGE

Agents go to hours and hours of real estate classes that teach them how to pass a test... but not run a business. This is the course that will teach you everything you need to know to run a 21st century real estate business!

### PACE

With over 11 different sections and over 50 training videos ranging from lead creation/conversion, business planning, open houses, finances and more. This is the course you need to take your real estate business to the next level!

## TRAINING

### STRATEGIES

Everyone in our programs learn the strategies that they need to follow to secure listings, create and convert buyer leads and implement the systems necessary to see the kind of results that they desire.

### ACCESS

Get access to all of our scripts/ dialogues, templates and quick hit videos teaching you exactly what you need to be doing to stay ahead.

### VIRTUAL

Our programs are designed specifically for real estate professionals and their busy schedules. Jared does a live broadcast every week but it's recorded and available on demand all week!
